MESSAGE FROM THE CHIEF STEWARD

The Australian Cider Awards increases in size each year, and new classes are introduced to keep up with market and maker trends.

We had a great judging team who came from a range of backgrounds giving diversity and depth to the panels.

Once again an enthusiastic band of stewards gathered at the William Angliss Institute to polish and pour. The stewards' goal is to present a seamless professional show to the judges, with the highest possible integrity.

This year we had an extra team from the Royal Agricultural Society of Victoria helping with the new software and tablet based judging.

The stewards get to taste a little after the judging, and there is an opportunity to judge for a session, as a "rotating associate". This allows stewards to sit alongside the full judges on "L" plates and judge and participate in the deliberation of scores.

Stewarding is fun, has bursts of hard work, and there are quieter moments for talking about all things cider and getting to know everyone.

I'd like to take this opportunity to thank everyone involved in the running of the show for their participation – it takes a lot of people working together to do this.

Cheers,
Warwick

Winners, Dr Clive Crossley and Lynne Uptin
OAM.

CHAMPION OF THE INDUSTRY AWARD

The *Champion of the Industry Award* honours individuals who have made an outstanding contribution to the Australian cider industry over a prolonged period of time. Cider Australia is proud to present this Award to Dr Clive Crossley and partner Lynne Uptin OAM.

Clive Crossley, creator of Red Sails Cider, is perhaps Tasmania's most authentic cider maker. Raised and born in Somerset, England, his passion and enthusiasm for the traditional craft of cider is second to none. Academic, sailor, orchardist and entrepreneur, Clive is the real deal when it comes to Tasmanian cider.

Lynne Uptin has been a partner at Red Sails Cider since 2009. She has worked in cultural industries management in Sydney and Tasmania including 16 years as Director of Arts Tasmania and membership of many educational and cultural boards and committees. Lynne was the founding Secretary of Cider Tasmania.

Clive and Lynne have been sharing their love of cider with the world for the past 40 years, providing an authentic Australian presence at many overseas events. Through regular overseas trips they have forged strong links within the global cider community. This has extended to hosting a vast number of international cider makers at their famous Pear Tree Cottage in Middleton, just South of Hobart, where they produce small commercial quantities of artisan cider. Their international reach and strong reputation has been important for Australian cider.

Clive and Lynne were some of the early pioneers of traditional cider apples and perry pears in Australia, with the ongoing high quality and unique style of their ciders clearly reflecting their varietal choices.

They have shown an ongoing commitment to gaining an in-depth understanding of keiving and other aspects of traditional French Cider making techniques.

A visit to Pear Tree Cottage (home of Red Sails) is a delight and a rare treat. The Red Sails orchards contain one of the largest collections of cider apple and perry pear varieties in Australia and overlook the bay where Clive keeps his Red Sails yacht. The 100+ year-old pear tree, in the middle of the orchard, provides pears to create a perry that arguably rivals the finest in England.

Note from Tom Oliver, guest judge at the 2019 Australian Cider Awards

"One of the aspects that I love most about cider is the people and how they connect. Over the last 7 years it has been an immense pleasure to share cider and food with Clive and Lynne from Red Sails.

It started with a couple of visits to Ocle Pychard and over some great food and cider, much talk. Clive then kindly invited myself (and amongst others Julian Temperley of Somerset Cider Brandy and Jorg Geiger of Manufactum Geiger from Schlad in Germany) to a wonderful multi-national cider tasting in Turin at their biennial Salone del Gusto.

Since then we have met in Tasmania and finally I managed to get to the heart and soul of Red Sails at Old Pear Tree Cottage where we had a wonderful meal cooked by Lynne and accompanied by some of Clive and Lynne's excellent cider with Tim and Tom from Willie Smith's. This was a really quite emotional evening for me as I feel that Clive and Lynne encapsulate what I find so fulfilling about cider and the friendships it yields.

Best from Tom"
